## PURPOSE

The purpose of the Uniform Policy is to outline Richmond West Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Richmond West Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Uniform Policy aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Example School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

## SCOPE

Students are expected to comply with this Uniform Policy while traveling to and from school, during school hours and when attending school activities.

## POLICY IMPLEMENTATION

Richmond West Primary School believe that a dress code, including school uniform and acceptable wearing of other items facilitates a sense of pride, belonging and safety. Observations will be noted regarding regular and appropriate wearing of uniform by all students.

## UNIFORM AND APPEARANCE

Richmond West Primary School believe that a school uniform:

- Provides practical and affordable clothing for students, reflecting equal opportunity and social justice.
- Facilitates identification of the school group which assists promotion of our school and enhances our presentation in the community.
- Fosters a sense of belonging and pride in our student group and their school leading to development of a positive school culture.

## Non-Compliance

# UNIFORM POLICY

A note of explanation should be given to the class teacher if a student is out of school uniform. If a student needs to be out of uniform he/she should be dressed in clothing which is as similar as possible to the Richmond West Primary School Uniform.

For continual non-wearing of uniform, contact will be made via a note or personally by the class teacher to parents/guardians concerned. A signed note is to be returned to the Principal, acknowledging this fact.

If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.

Measures taken by Richmond West Primary School to address concerns about student non-compliance with the Uniform Policy will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

## PURCHASE OF UNIFORMS

Responsibility for the purchasing and selling of uniforms will rest with the uniform co-ordinator and/or Business Manager who will report to the Sub Committee of School Council.

1. The school will organise the purchasing and selling of school uniform through the Administration Office. Orders will be placed with manufacturers at regular intervals.
2. Annual stock take will take place and a Uniform Annual profit and loss statement will be reported to School Council.
3. New and second hand stock will be available for purchase. Parents may donate uniform items in good condition for re-sale.

## EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers

# UNIFORM POLICY

- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.

Mufti days (non uniform days) and camps may be organised with the permission of the Principal.

- Students will continue to observe SunSmart policy requirements for wearing appropriate SunSmart head wear and clothing outside during SunSmart periods.
